## The latest COVID-19 update for CMA candidates

Dear Samer:

Our top priority during the COVID-19 pandemic is the health and safety of our CMA® (Certified Management Accountant) candidates and staff. With that in mind, please be aware of these important updates for the CMA exam:

- **Masks required** – Until further notice, test takers are required to bring and wear a mask during the entirety of their time at the test center. Both medical masks or cloth face coverings are acceptable. **Masks with exhale valves are prohibited for use at the test center.** Any test taker who comes to the test center without a mask will not be allowed to test, marked as a “no show,” and will not be eligible for a free reschedule.
- **Rescheduling fees resume on August 1** – You may reschedule a CMA exam at no cost until July 31, 2020. The normal rescheduling fee will resume beginning August 1, 2020.
- **Reminder:** We have [extended upcoming CMA testing windows](#) to give you more scheduling flexibility in this challenging time. [Register for your exam today.](#)
- **Prometric test centers are open** – Nearly all Prometric testing centers around the world have reopened, many at full capacity. [Schedule your exam with Prometric.](#)

For the latest information on test center precautions and protocols, make sure to view the Prometric [COVID-19 FAQ page](#).

We will continue to communicate with you as changes occur. Please feel free to contact us at [ima@imanet.org](mailto:ima@imanet.org) if you have any questions.

We wish you all the best on the CMA exam!

Dennis Whitney, CMA  
Senior Vice President, ICMA
